## From the Helm

HELLO PILOTS!!

The year has come and gone with a lot of accomplishments. We gave away 3 scholarships to our anchors we awarded funds to Southern Scholarship, Project Lifesaver, and The Alzheimer's Project. We participated in several events, gave away a number of helmets and touched many young adults with the awareness of brain safety. We welcomed 3 new members into our club and most of all we keep building a lifetime of Friendship in Pilot. Good luck to Karol in her upcoming year but most of all "Thank You" for all your support during my year as President.

## Defining the Foundation

250 District, 250 Goal, Goal for Grants and Scholarships:

- The Grants and Scholarships Fund- is the SINGLE source of fundraising to fund PIF's matching grant program.
- Each individual and club is asked to participate in the fundraising efforts of our grants and scholarships fund by donating \$250.
- Each Pilot year, districts are assigned a fundraising goal for the grants and scholarships fund. This goal is figured by the number of clubs on record at headquarters as of September 1st. That number of clubs is multiplied by \$250 for the district goal. For example: 10 clubs X \$250- \$2,500 (your district goal.)

All individual, club, and district contributions help the district meet this goal.

- Those individuals and clubs who send their donation by February 1st receive a certificate at district convention.
- All \$250 individuals and clubs will receive a ribbon at international convention.
- All Districts who reach their \$250 Goal will receive a ribbon at international convention.

## CONSTANT CONTACT AND THE DISTRICT WEBSITE

Our annual Florida District Convention has come and gone. Some highlights: Florida District has a membership of 860 members including all classes of membership. The district gained 21 new Members-At-Large this year for a net gain of 24%. Florida District raised \$9,653 this year for Pilot International Foundation, which is over the goal of \$8,000 set in the beginning of the year. Members are encouraged to participate in the PIF What Happens in Vegas, Goes Home from Vegas fundraiser. The District Budget for 2012-13 passed without discussion. The two amendments to the Standing Rules (one on adding 3 Lt Governors and one on centralizing District Convention) both failed after extensive discussion against both proposals. Only one position in the district was contested this year. Patricia Stevens of the Pilot Club of Pensacola was elected as a Three Year Director to the PSHF Board. Pilot Club of Tallahassee Emeritus Member Maye Peabody was recognized at the memorial service on Sunday morning along with 18 other Pilots in the Florida District and 6 family members of Florida Pilots. Mark your calendars now for the 2013 District Convention at the Hilton Naples October 26-28. Pictured below is the 2012-2013 District Executive Council (DEC) and Appointees.

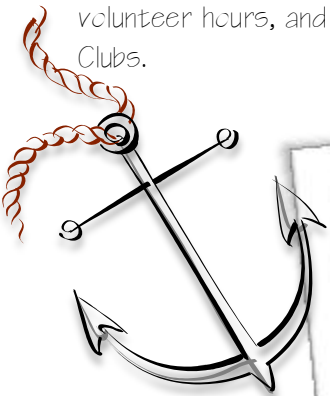

Your new DEC is: Rene' Naughton - Governor; Barbara McKenzie - Governor Elect; Terry Steffey - Treasurer; Claire Mikko - Secretary; Sara Hetherington - Lt. Governor; Barbara Keck - Lt. Governor; and Maryland Peterson - Lt. Governor.

# Club News

Charlotte and Claire represented our club, selling raffle tickets for our Mystery Box, which made \$324; being delegates, voting on the proposed Standing Rules changes and District budget; and being a part of the weekend festivities. We won 1<sup>st</sup> place in the Brain Injury or Disorder Project (participating in Children's Day, fitting helmets and presenting BrainMinders with the Anchor) and for the Outstanding BrainMinders Program, clubs with under 25 members (multiple presentations in the Tallahassee elementary schools, trying to present at all of them). This year we didn't win in the Newsletter competition but that is because we raised the bar so high that other finally caught up to us! There's always next year!

Pam Schilling was recognized for serving on the 2011-12 Nominating Committee and for being appointed as the 2012-13 District Membership Chair. Claire was recognized for serving as the 2011-12 WAVE Editor and for being appointed as the 2012-13 Governor's Bulletin Editor. Claire was also installed on Saturday night as the 2012-13 Florida District Secretary. Charlotte was recognized for serving on the 2011-12 Audit

Committee and for being appointed as the 2012-13 Florida District Parliamentarian. Charlotte was also installed on Saturday night for her second year as Pilot Scholarship House Foundation (PSHF) President Elect. Next big event: Fall Council Oct 27-29 at the Ocala Hilton.

## YMCA HEALTHY KIDS DAY

Carol, Karol and Carol represented our club this year at the annual YMCA Healthy Kids Day on April 28<sup>th</sup>. The event was a little more low key this year than the years past but they still were able to talk to people about Pilot, what we do and why we do it. Plus they spoke with children about protecting their brains for life with our BrainMinders puppets. And 49 people will be safer now with their new bicycle helmets our club provided. ↓
