From the Helm

September is here and soon the leaves will start changing. I look forward to football games and the cooler weather. Thank you to everyone that participated on our first fundraiser with Macy's which was a great start to an exciting year! Our Share Pilot Night is on September 26th and I'm hoping we have a great turnout. This the month we vote for our Pilot Sweetheart. Even though we can only vote for one I believe we have 14 Sweethearts. Tiffany and Aaron (Leon Anchor) are working on building our Facebook page. As we start our busy season we need to remember the importance of an open mind and a willingness to do what we can to make it work. Remember it takes all of us to keep our Pilot wheel on the right course.

In Pilot Friendship and Harmony,

Pam

HOW TO BUILD A PILOT DREAM TEAM

- ◆ Learn what makes fellow members tick
- ◆ What are their likes and dislikes
- ◆ What would they most like to accomplish as a member?
- ◆ How can we help them reach their goals?

MEMBERSHIP CAN BUILD BASED ON THESE COMMENTS:

- * "I heard /saw/read about what your club is doing."
 - * "Your club did a really great presentation at a meeting I attended recently."
 - * "My friend told me she did not want to miss her Pilot Club meeting because they have so much fun."
 - (Information taken from PI website, Marketing PowerPoint)
- When we hear the above comments, it's our opportunity to "talk Pilot", invite the person speaking to come to a meeting, and mostly give a brief comment about what Pilot is/does.

Best Olympic Attire" where there will be judging and medals awarded. Each club is asked to bring a Sports Memorabilia centerpiece to be auctioned off. BREAKFAST OF CHAMPIONS for the

LaVERNE WEDDLE PILOT SCHOLARSHIP HOUSE

August 24th, breakfast food and goodies were delivered to the residents of the LaVerne Weddle Pilot Scholarship House by Charlotte and Claire. Residents who were there to receive the food were (left to right) Amanda Hartsfield, Angie Joseph, Tori Skinner and House Manager, Oriana Pina. They were very appreciative for the food and told us how helpful it was to have food in the house because the first official shopping day wasn't until the following Sunday!

Candice reports on 8/10. All residents move in on 8/18. Classes begin 8/22.

We focus on information on the prevention of traumatic brain injury for children and adults and education about brain disorders. Lock us up on the web, www.pilotinternational.org. We can use all the support and members we can get!

SUPPORTING A COMMUNITY EVENT - BARTENDING FOR UNITED PARTNERS FOR HUMAN SERVICES

On August 23rd, Karol, Pam, Bea and Claire were the bartenders at the United Partners for Human Services (UPHS) event. UPHS is a coalition of human service providers and supporting partners working

together to improve the delivery of human services in Big Bend. It was a lot of fun and we received a whole bunch of exposure into a community where we can become a member and be recognized for what we do.

Thank you to Pam and Chuck for opening their home to have a BBQ for our Pilot members. The food was great and plentiful. And it was nice able to visit with one another meeting.
